

WWP EN Grants for safe, effective and sustainable perpetrator work

Information meeting for applicants

22 January 2025

Agenda

Background and goals

Basic information

Standards and accreditation

Evaluation

Budget and finances

Next steps

Objectives and priorities

- Supporting members in delivering safe, effective and accountable perpetrator work.
- Up to 50% of the budget for direct work with perpetrators.
- Tied directly to the quality of work.
 - Compliance with standards – self-assessment.

Available grants:

- 30 000 EUR
- 35 000 EUR – for organisations who want to apply for an additional 5 000 EUR for assessment for accreditation

Who can apply?

Applicants must fulfil **all the criteria** listed below:

- Be a full member of the WWP European Network (affiliate members, as well as organisations who have membership through a national network, will not be eligible).
- Be a legal entity and non-profit organisation.
- Work directly with people who perpetrate violence in close relationships or indirectly as National Networks of Perpetrator Programmes.
- Be established in a Member State of the European Union (including overseas countries and territories (OCTs)).
- Respect EU values as laid down in Art.2 of the Treaty on European Union and the EU Charter of Fundamental Rights.

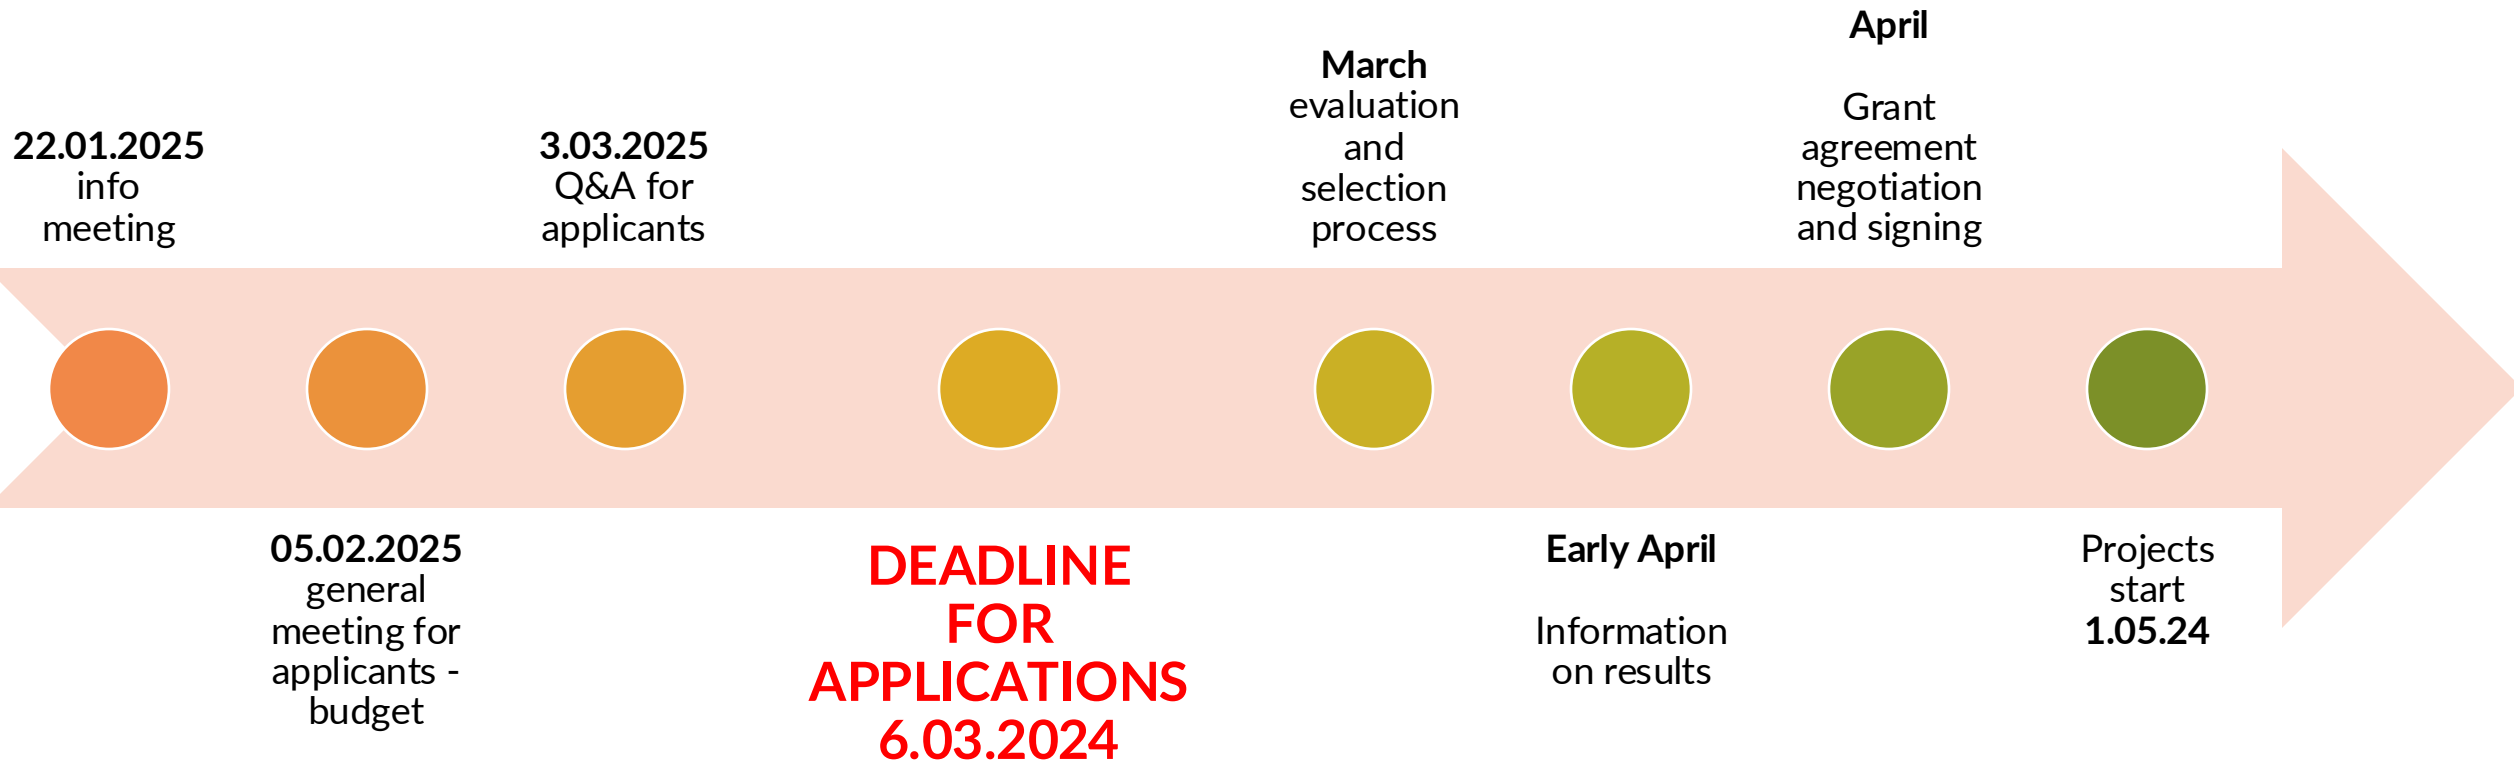

Designing your project

Activities that can be funded

- Training;
- Capacity building;
- Running and ensuring continuity of perpetrator programmes (max 50% of the budget)
- Activities for the improvement and evaluation of the quality of service (including an external process);
- Setting up or improving the evaluation of the programme;
- Improving support to victims and collaboration with victim support services;
- Improving coordinated community response;
- Improving specialized interventions for specific groups of perpetrators;
- Improving intervention aiming at child protection (including programs for perpetrators that are fathers, development or improvement of the child protection policy);
- Improving risk assessment;
- Improving informatization of data collection and data management;
- Improving advocacy capacity /reach with local administrations and key public authorities to improve multi-agency work.
- Working towards European accreditation, including assessment of the perpetrator programme along the European Standards for Perpetrator Programmes.

Timeline

Evaluation procedure and criteria

Procedure

Each project will be evaluated by 2 independent, expert evaluators

Cost effectiveness will be evaluated

The final review and decision will be made by the Selection Committee

Each applicant will receive written feedback on their application.

Evaluation criteria

- **Operational capacity**
 - know-how, qualifications, and resources needed to implement the project
- **Evaluation of the cost-effectiveness of the project proposals**
- **Relevance**
 - to the objectives and priorities of the call
 - to the gaps identified as part of the self-assessment tool or last year's assessment
 - to the described needs of the organisation and local context
- **Quality**
 - methodology, planning, monitoring and evaluation
 - ethical considerations – e.g. Implementation of the gender perspective
- **European added value**
- **Impact**
 - expected results and how they will be integrated long term
- **Programme implementation**

Scoring

criteria

Relevance	35
Quality	20
European added value	5
Impact	15
Programme implementation	10
Cost effectiveness	15
Total	100

Timeline and budget

Timeline and budget planning

Length of the project – maximum 7 months
1.05 – 30.11.2025

Overall budget available:

- EUR 157 500

Financing – 100%, no co-funding needed
